

Statistical Abstract of Himachal Pradesh 2023-24: Data Visualisation

Department of Economics & Statistics
Government of Himachal Pradesh

MESSAGE

It is with great pleasure that I present the **Statistical Abstract 2023-24 : Data Visualisation**. This publication, which offers valuable socio-economic data and administrative information from various government departments, is produced annually by the Department of Economics and Statistics. It plays a crucial role in defining policy paradigm by providing valuable insights.

In collaboration with the Department of Digital Technologies and Governance, the Department of Economics and Statistics has made an effort for value addition to the **Statistical Abstract** by incorporating visual elements such as charts, graphs, and color coding. This initiative has significantly improved the quality and value of the publication.

Access to reliable administrative data is essential for inclusive policy planning and informed decision-making. Recognizing this need, the department has gathered statistical data from diverse sources, ensuring that the publication addresses the wide spectrum of social and economic activities.

In today's context, decision making must be evidence based and the plans must be realistic and cater to the needs of the public with a focus on inclusive development. Then only benefits of plans reach every member of society, especially those at the margins.

I would like to extend my heartfelt appreciation to the entire team of the **Department of Economics and Statistics, Himachal Pradesh**, for their dedicated efforts in bringing this initiative to life.

(Sukhvinder Singh Sukhu)
Chief Minister, H.P.

Place : Shimla

MESSAGE

The infographic version of the Statistical Abstract 2023-24 stands as a testament to our unwavering commitment to gathering and presenting a comprehensive range of data that reflects the socio-economic landscape of our state. This publication, produced annually by the Department of Economics and Statistics, has been significantly enhanced by the innovative graphical design from the Department of Digital Technologies and Governance. Together, these efforts create a vital resource for understanding the complexities of Himachal Pradesh's economy.

Our dedicated team has meticulously compiled data from a wide array of sources, including various government departments, public sector enterprises, corporations, and other official documents. This rigorous approach ensures that the information presented is both accurate and reliable, laying the groundwork for informed decision-making.

This publication marks a significant milestone in our journey toward realizing our vision for a unified statistical framework. I am confident that the Statistical Abstract will serve as an invaluable resource for a diverse audience, including administrators, policymakers, development planners, researchers, tourists, and the general public. The insights and knowledge contained within will empower these individuals to make informed decisions, drive positive change, and contribute meaningfully to the advancement of Himachal Pradesh.

I trust that such initiatives not only enhance our understanding of critical data but also provide a valuable learning experience for others in the field.

In conclusion, I wish to express my deep gratitude to everyone who contributed to this endeavor. Your efforts are invaluable in our shared mission to build a better Himachal Pradesh, where data-driven decisions and inclusive policies pave the way for prosperity and progress. Together, we are paving the way for a brighter, more informed future for our state.

Chief Secretary,
Government of Himachal Pradesh

MESSAGE

The infographic version of the Statistical Abstract 2023-24 stands as a testament to our relentless efforts in gathering and presenting a vast array of data on the socio-economic aspects of our state. As this publication brought out annually by the Department of Economics & Statistics and new version of graphical Statistical Abstract is developed in first time by the Department of Digital Technologies and Governance, serves as a vital tool for understanding the intricacies of State's economy.

The team has painstakingly collected data from multiple sources, including various government departments, public sector undertakings, corporations and other official documents. As the 'Nodal Agency' for Department of Economics & Statistics in Himachal Pradesh, envisions a cohesive and unified statistical system for the entire state. With 'One State One Statistics' as our guiding theme, we strive to establish a robust framework that ensures the accuracy, reliability and accessibility of data for all stakeholders.

This publication marks a significant milestone in our pursuit of this vision. I am confident that the Statistical Abstract will serve as a vital resource for various professionals, including administrators, policy-makers, development planners, research scholars, tourists, and the general public. The information presented herein will empower them with insights and knowledge to make informed decisions, drive positive change, and contribute to the progress of Himachal Pradesh.

I would like to express my sincere gratitude to the dedicated teams at the Department of Economics and Statistics and the Department of Digital Technologies and Governance for their hard work and collaboration on this project. Your efforts have transformed complex data into something understandable and actionable. Together, we are working towards more informed and inclusive governance that benefits all citizens of Himachal Pradesh.

Pr. Secretary (Finance, Eco. & Stat.),
Government of Himachal Pradesh

MESSAGE

This is for the first time the Statistical Abstract is being presented through the latest tools of data visualization. Purpose of data is to improve human welfare. Data is both *a* public good and *for* public good. Data collection and compilation is not an end itself but a means to promote better policy formulation, policy design and policy implementation by better understanding of the figures.

This year our department has presented the data of various socio-economic and development parameters in an easy to understand manner so that various concerned departments can easily understand such data in one go and analyse the implications of such data.

We hope that through this data visualization report the Economics and Statistics Department acts as the data and technology partner of different departments from the State to District to Block levels. We will publish the future reports of the departments in a similar data visualization formats.

As this document is relied upon by various stakeholders, including legislators, policy makers, academician, researchers and others, a digital version will be available at [www.~~https://~~himachalservices.nic.in/economics.in](https://himachalservices.nic.in/economics.in).

The brief summary points emerging from this compilation pertaining to different departments will be shared with concerned Administrative Secretaries/Head of Departments along with main conclusion based on such data, to nudge them for using latest data for better governance and inclusive development in tune with the achievement of Sustainable Development Goals.

Our State gives a lot of emphasis on availability of latest data. Recently the Hon'ble Chief Minister launched 'HIM Data Portal' in collaboration with the prestigious Bharti Institute of Public Policy and Indian Business School, Hyderabad and Mohali.

I extend my heartfelt gratitude to the dedicated teams at the Department of Economics and Statistics and the Department of Digital Technologies and Governance for their hard work and collaboration in bringing this project to life. Your efforts have made this complex data not only understandable but also actionable.

(Dr. Abhishek Jain) IAS,
Secretary (Eco.& Stat., IT),
Government of Himachal Pradesh.

PREFACE

The Statistical Abstract of Himachal Pradesh is a valuable annual publication brought out by the Official Statistics Section, Directorate of Economic & Statistics. It serves as a comprehensive repository of socio-economic data collected from various departments, organizations, and official documents that reflect the diverse aspects of the State's development.

To enhance the accessibility and presentation of this crucial data, the Department of Digital Technologies and Governance has undertaken the task of incorporating advanced data visualization techniques into the Statistical Abstract 2023-24. By leveraging visual elements such as charts, graphs, and interactive representations, we aim to transform raw data into more engaging and comprehensible insights. This initiative not only modernizes the way data is presented but also enables users to interact with the information in a more intuitive and insightful manner.

We are deeply grateful for the cooperation extended by various departments, boards, and organizations in providing the necessary data for this endeavour.

I express my sincere gratitude to Shri Devesh Kumar, Pr. Secretary to the Government of Himachal Pradesh as a mentor at every step, sharing his vision and guidance in preparation of the report.

I am extremely grateful to Dr. Abhishek Jain, Secretary (Finance, Planning, Economics & Statistics) for dedicating time to review the draft report and providing valuable guidance, support and inputs. This significantly contributed to the swift finalization of the draft and the timely publication of Statistical Abstract 2023-24 : Data Visulisation.

I would like to express my gratitude to Dr. Nipun Jindal, Director of Digital Technologies and Governance, for his support and inputs in data visualization.

I would like to extend my sincere thanks to officers and officials of both the Department's of Digital Technologies and Governance and the Economics & Statistics who have worked tirelessly to bring this publication with added dimension of data visualization.

I wish to express my heartfelt thanks to Sunaina Khatkar, GIS Developer, and Pitambar Sharma, GIS Data Analyst, for their dedicated efforts in data visualization.

I strongly believed that this publication, with its enhanced format, will serve as a valuable resource for administrators, policymakers, bureaucrats, planners, scholars, and all those who have interest in the economic and social fabric of Himachal Pradesh.

We welcome comments and suggestions for further improving the quality, content, and presentation of the data visualization in future editions.

Arunachal Pradesh was censured for the first time in 1961

** The 1981 census could not be held owing to disturbed conditions prevailing in Assam .Hence the population figures for 1981 of Assam has been Worked out by 'Interpolation' .

+ Uttrakhand Jharkhand, Chhattisgarh states carved out from UP,Bihar and MP respectively are censured for the first time in 2001.

*** The 1991 census could not be held in Jammu & Kashmir Hence the population figures for 1991 of Jammu & Kashmir has been Worked out by 'Interpolation' .

\$ Included Population of Telangana State also.

Source: Office of the Registrar General, India. While working out the density of India, Jammu & Kashmir has been excluded as comparable figures of area and population are not available for the state @ The 1981 census could not be held in Assam, therefore, for calculating the density of India and Assam, the population figures for 1981 for Assam as worked by interpolation have been taken.

⁺ For working out the density of India and Jammu & Kashmir, the entire area and population of those portions of J&K which are under illegal occupation of Pakistan and China have not been taken into account.

\$ Included Data of Telangana State also.

* The area figures of States and U.T.s do not add up to area of India because :

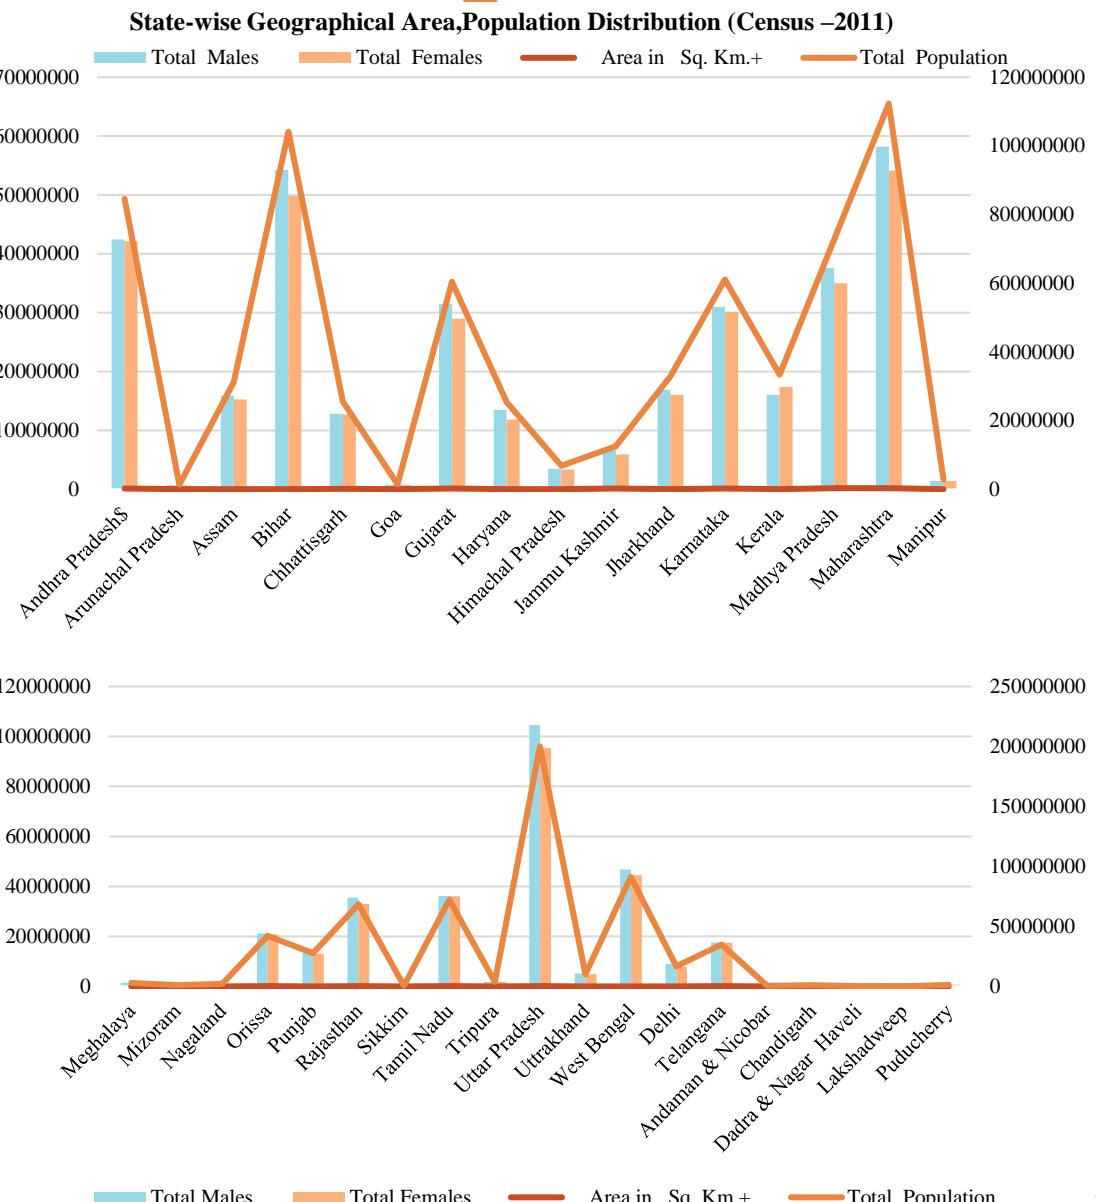

(i) The shortfall of 7 square km. area of Madhya Pradesh and 3 square km. area of Chhattisgarh is yet to be resolved by the Survey of India.

(ii) Disputed area of 13 square km. between Pondicherry and Andhra Pradesh is neither included in Pondicherry nor in Andhra Pradesh.

(1) The population figures excludes population of the area under unlawful occupation of Pakistan and China where Census could not be taken.

++ Area figures include the area under unlawful occupation of Pakistan and China. The area includes 78,114 sq.km. under illegal occupation of Pakistan, 5,180 sq. km. illegally handed over by Pakistan to China and 37,555 sq.km. under illegal occupation of China.
