

## Response to Pre- Bid queries

RFQdocument reference: IN-HPRIDC - 487762-GO-RFQ, Dated 26/04/2025

Procurement of Accessories and Fabrication of Patrol Vehicle 4WD to Support Annual Enforcement Program of HP Police

Sl. No.	RFQ Clause	Original Clause as per RFQ	Bidder Comments / Queries	Response to query 09-05-2025
1	Item No 1. Beacon Light,1.2 Technical Specifications, Page-12	Item No 1. Beacon Light	It is respectfully submitted that the nomenclature "Beacon Light" is creating confusion. This item is uniformly referred to as "LED Light Bar" across Government procurement portals such as GeM and in tenders issued by various Government departments across India. We therefore request that the nomenclature be amended to "LED Light Bar." Further, we request that the size specification be amended from 17" to 42", as this is the standard dimension for emergency vehicle application. We have been engaged in the manufacturing and supply of these lights for over 15 years, and the 42" LED Light Bar is widely used in the majority of such vehicles. A product catalogue is enclosed herewith as Annexure – 1 for your ready reference.	Refer Sl. No. 1, Corrigendum-I.
2	Item No 2.PA system, 1.2 Technical Specifications, Page-12	Item No 2. PA system	In continuation of our submission at S. No. 1, we request that the PA system specifications be revised to match the compatible system used with the LED Light Bar or alternatively, be aligned with the PA system enclosed in our Annexure – 2, which is compliant and readily available on GeM and other government procurement platforms.	Refer Sl. No. 2,Corrigendum-I.
3.	<b>Technical Specifications and Standards-Minimum requirements,</b> Item No 17. Portable LED Flashlight, 1.2 Technical Specifications, Page-14	High Quality LED Light: The LED technology integrated in the antern is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home Four Lighting Modes: Comes with 4 different lighting modes i.e. High brightness headlamp, low brightness headlamp , the side	It is respectfully submitted that the reference to the brand "Philips" be deleted to ensure fair and competitive bidding. As OEM authorization is required under Clause 16, Page 6 of the RFQ, restricting the brand will unfairly limit participation to a few selected bidders authorised by Philips.	Refer Sl. No. 3, Corrigendum-I.

		lantern and SOS Flashlight just by pressing the button switch Rechargeable Battery: The Emergency Lantern comes with a high-quality rechargeable battery of 3.7V,2200 mAH Lithium-Ion battery Charging & Backup Time: Comes with overcharge and deep discharge protection and the lantern take up to 5 hours to completely charge and gives up to 4 hours of backup
